RESEARCH EXPERIENCE

- 2019 Youth Climate Justice Activism, Decade Zero, in collaboration with Brigid Mark: conducted participant observation at COP 25 and 22 in-depth interviews with youth climate justice activists about the latest wave of climate justice organizing (e.g. climate strikes) and the colonized nature of the UN climate negotiations.
- 2018-present Coalition Building: conducted participant observation and interviews about coalition building against the Line 3 pipeline in Minnesota, with focus on organizing by Native and non-Native environmental groups. Supervised two undergraduate research fellows working on the project in Summer 2019.

- 2018-2019 Principle Investigator, in collaboration with Henry Jakubowski and Kyhl Lyndgaard, Climate Stories. This project collects stories from Minnesotans about how climate change has affected their lives. CSB/SJU Students conduct these interviews and then Minnesota Public Radio will air these stories on their segment, Climate Cast. We also share interviews with Climate Generation, MN350, and the 100% Project. The interviews provide teaching and research opportunities for the CSB/SJU community.
- 2015-17 Doctoral Dissertation: conducted 106 in-depth interviews with climate and anti-fracking activists in California and Idaho, ethnographic fieldwork, and participant observation with activist groups.
- 2016 Graduate Assistant, University of California Office of the President Carbon Neutrality Initiative. Coordinated outreach to UCSB faculty and two workshops to incorporate climate change and sustainability into new and existing courses.
- 2013-15 Graduate Student Researcher, Dept. of Sociology: 1 of 2 graduate students to conduct 9 in-depth interviews with sociology faculty and emeriti. Co-authored an intellectual history of the UCSB Sociology Dept. Co-organized research conference celebrating the intellectual history of UCSB Sociology, UCSB, February 12-14, 2015.
- 2013-14 Research Associate, Climate Justice Project: Led research component, with Summer Gray, under John Foran (Sociology, UCSB), to interview, film, and analyze qualitative interviews with 25 youth climate activists at the Conference of the Parties to the UN Framework Convention on Climate Change, in Warsaw, Poland, in November 2013. Co-organized conference, Re-Imagining Climate Justice: At the Crossroads of Hope and Possibility, featuring thirteen workshops, UCSB, May 10, 2014.

- 2012-13 Graduate Student Researcher under Maria Charles (Sociology, UCSB), in collaboration with Paula England (Sociology, NYU): performed statistical analysis of General Social Survey data from 1972-2010 to examine the intergenerational transmission of care occupations.
- 2012 Master's Thesis: Conducted 2 focus groups, ethnographic observations, and qualitative interviews in Spanish with 43 workers and 4 administrators to understand working conditions and women's efforts to balance work and family on a Fairtrade rose farm in southern Ecuador.
- 2011 Scholar in Martin Institute for Peace Studies and Conflict Resolution, UI: Conducted 12 in-depth qualitative interviews in Spanish with Ecuadorian women and men about women's reproductive labor in Quito, Ecuador.
- 2009 Research Assistant to Leontina Hormel (Dept. of Sociology and Anthropology, UI): Performed content analysis of USAID documents concerning Ukraine.
